To enable volume discounts on this site, use coupon code: **BULKRATE** during checkout. You will see a discount applied at the bottom of the shopping cart. Competitive pricing is available. Contact us for details.

Quantity	3+ units	5+ units	10+ units
Rate	USD 1,34 shipped	USD 1,33 shipped	USD 1,32 shipped

**What is Bulk Rate?** BulkRate is a semi-wholesale system with items priced separately from retail. When you use bulk rates, a flat \$1.70 registered air mail fee will automatically be added to your cart to ensure delivery of package. While BulkRate's intention is to offer cheaper prices when you buy in bulk, because it is priced separately it on occasions show a higher than retail price. That's why we ask you to enter BULKRATE as a coupon code to manually activate the rates. You can always opt not to use the bulk rates. If you are looking for wholesale prices please feel free to [contact us](#).

### Recent Customer Reviews

Reliable and easy

fviničius Post on 21/01/2015

Simply to connect and seems strong. You can use a screwdriver to connect the wires at the terminal box and also use it to connect this wire to a second RGB LED Power Supply. It turns the installation easy, reliable and I... [Read more](#)

great connector

piteru Post on 17/12/2014

I have bought this set of connectors to replace my damaged one. They were good quality, easy to connect, working for many many months now without flaw.

Impression: Great quality

Me han funcionado correctamente

martinillou Post on 15/11/2014

Pros: Todo correcto, funciona perfectamente y encajan bien tanto entre ellos como con otros conectores. Cons: No he encontrado ninguno.

Impression: Perfecta

Nice adapter for all DC use

Merjas Post on 05/11/2014

Nice 12V power connector set for all my DC equipment use in lakes. Sturdy construction and easy screw points. Easy disconnect for storing equipment over winter time / secure place.

Impression: Power connects

Good product

koney Post on 12/10/2014

Good quality. great time-saving usability. Maybe version with detachable terminal block would be better.

Impression: Tme-saver
